OWNER'S AFFIDAVIT: I certify that all information provided is accurate, and that all work will be performed in compliance with all applicable laws regulating construction and zoning. No work has been commenced prior to the permit sought by this application, and all work will be done as indicated in the application and all accompanying document and plans.

NOTICE: In addition, the requirements of this permit, there may be additional restrictions applicable to this property that may be found in the public records of the county, and there may be additional permits required from other governmental entities such as water management districts, County, State or Federal agencies.

DISCLAIMER: issuance of a development permit by a municipality does not in any way create any right on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

CONDITION: All applicable state and federal permits must be obtained before commencement of the development.
